

Lowndes County Public Schools

Wellness Planning

The Healthy Hunger Free Kids Act of 2010 (HHFKA) requires school food authorities to have a local wellness plan. Guidelines were passed that impacted the National School Lunch Program, School Breakfast Program, snacks served in schools, and fundraisers for schools as a result.

It is time to update our current plan. If you would like to serve on the planning team or provide input to the Triennial Wellness Planning Committee, **please email Kenneth Fair at: kfair@lowndesboe.org** no later than **June 2, 2023** with either title in the subject line, ***“Input Only”, or “Planning Team”***.
